National Cancer Survivor’s Day event planned for June 29

(June 23, 2014) – A cancer diagnosis is no longer a death sentence. Major advances in cancer prevention, early detection and treatment have resulted in longer survival. Today, nearly 12 million Americans are living with and beyond a cancer diagnosis.

In recognition of this, the Tammy Walker Cancer Center at Salina Regional Health Center, American Cancer Society and Cancer Centers of Kansas are joining efforts to celebrate National Cancer Survivor’s Day.

A special “Cook-Out” is being planned from 6 p.m. to 8 p.m., Sunday, June 29, at the Tammy Walker Cancer Center, 511 S. Santa Fe Ave., Salina. Meals for survivors and their guests are free. Reservations are required by June 27 and forms may be picked up at the Tammy Walker Cancer Center. You may also call Linda Hinnenkamp at (785) 452-4848 or Melanie Leepers (785) 452-7038 to register.

The event also will welcome guests from “4K for Cancer,” a group that rides bicycles across the country to raise cancer awareness. “4K for Cancer” will be passing through Salina on June 29 as part of their trek across the country.

For more information contact Linda Hinnenkamp, (785) 452-4848, at the Tammy Walker Cancer Center.
