Visitor restrictions heightened, weekend access hours updated

(March 18, 2020) – Visitor restrictions for minors have been heightened at Salina Regional Health Center. No one under the age of 18 will be allowed into the hospital unless they are the patient or have a scheduled appointment or procedure.

Visitor access to the hospital's main entrance has also changed to operate from 10 a.m. to 4 p.m. on Saturdays and Sundays. All visitors should continue to use the hospital's main lobby entrance off Santa Fe Avenue. All visitors will continue to be screened at the door prior to entrance.

Visit www.srhc.com, or follow the hospital on Facebook to find out all the latest information.
